SKILLS

- **Languages:** Python, C, C ++
- **Technologies:** HTML, CSS, Javascript
- **Databases/Tools:** MySQL, PostgreSQL, Git, GitHub
- **Soft Skills:** Analytical thinking, Technical Adaptability, Self-directed learning, Team collaboration

PROJECTS

Tic-Tac-Toe game

July 2026

- **Developed** a console-based Tic-Tac-Toe game in C++ using a 3×3 two-dimensional array to manage the game board and track player moves across up to 9 turns
- **Implemented** automated win detection by evaluating 8 possible winning combinations, including 3 rows, 3 columns, and 2 diagonals after each valid move.
- **Engineered** input validation to handle non-numeric entries, out-of-range coordinates, and occupied board positions, preventing invalid moves from altering the game state.
- **Structured** the game using reusable functions, loops, conditional logic, and console I/O to manage board display, turn switching, move processing, and final win or tie outcomes.
- **Tech Stack: C++**

CERTIFICATIONS

- TechA Python programming foundation certification | [Infosys Springboard](#) July 2025
- Object Oriented Programming using C++ | [Lovely Professional University](#) July 2026

CERTIFICATES

- BlockseBlock and OpenxAI AI Bootcamp | [AI Bootcamp](#) Aug 2025
- Introduction to Cloud Computing | [Infosys Springboard](#) Feb 2026
- Network Management Systems | [Network Management Systems](#) Feb 2026
- Python Clean Coding | [Infosys Springboard](#) July 2025

EXTRA-CURRICULAR ACTIVITIES

Python Programming Lecture Series | Community Development Project

- **Developed and published a 10-lecture Python programming series**, covering fundamental concepts including variables, operators, conditionals, loops, strings, data structures, functions, and file handling.
- **Produced approximately 10 hours of instructional content**, independently managing topic planning, presentation preparation, recording, editing and publication for beginner-level learners.

EDUCATION

Lovely Professional University

Phagwara, Punjab

- *Bachelor of Technology - Computer Science and Engineering; CGPA: 7.18*
Present

August 2025 -

- Jalandhar, Punjab
Intermediate; Percentage: 71 %

2025

- **St. Joseph's Convent School**
Matriculation; Percentage: 93.6 %

Jalandhar, Punjab
2023
